Remarks

This is one of a kind! This large building is currently used as a garage and unbelievable man cave! 20x40 loft could be converted to living space along with other rooms on the main floor. Top quality "Star" heavy gauge metal building all insulated and heated with efficient radiant heating. 4 inch Styrofoam insulation in the floor, extra electrical conduits are in place. Transfer switch all wired for future stand by generator. Plumbing is roughed in and a drilled well and septic is installed. Hot water heater is new and waiting to be installed. A vehicle lift is ready to be used! This building has many possibilities, use it as is or finish it to your own taste. Call now for a showing!
